QUALITY CHECKLIST - MARK OK, FAIL OR N/A

QC ITEM	OK	FAIL	N/A		OK	FAIL	N/A
Correct customer and work order	☐	☐	☐	No stains, holes, scorching or damage	☐	☐	☐
Approved artwork / version used	☐	☐	☐	Garment style, color and sizes correct	☐	☐	☐
Spelling, names and numbers correct	☐	☐	☐	Personalization matched to garments	☐	☐	☐
Design size and placement correct	☐	☐	☐	Final quantities match order	☐	☐	☐
Thread / ink / transfer colors correct	☐	☐	☐	Folding, bagging and labels correct	☐	☐	☐
Registration, stitch or print quality acceptable	☐	☐	☐	Packing / box instructions followed	☐	☐	☐
No loose threads, press marks or residue	☐	☐	☐	Pickup / shipping instructions verified	☐	☐	☐

 ☐ Quarterly
 ☐ Preventive
 ☐ Corrective
 ☐ Emergency / Breakdown

MAINTENANCE CHECKLIST - MARK DONE OR N/A

MAINTENANCE TASK	DONE	N/A		DONE	N/A
Remove lint and thread from hook / bobbin area	☐	☐		Check safety guards and emergency functions	☐
Oil rotary hooks and specified lubrication points	☐	☐		Inspect belts, drive parts and unusual noise	☐
Inspect / replace needles and verify orientation	☐	☐		Check air pressure and inspect for leaks	☐
Inspect bobbin cases and check bobbin tension	☐	☐		Verify hook timing / needle depth if scheduled	☐
Check upper thread path and thread tensions	☐	☐		Run test sew and inspect stitch quality	☐
Test trimmers, knives and thread-break sensors	☐	☐		Clean machine exterior and surrounding area	☐
Inspect hoops, clamps and cap-driver components	☐	☐		Reset / update maintenance counter if applicable	☐
