

Customer-Supplied Garments Acknowledgment

Required for every customer-supplied decoration order. Effective May 26, 2026 — Reviewed annually.

Order Details

Date received: _____ Order / PO #: _____

Customer name: _____ Company: _____

Phone: _____ Email: _____

Decoration method (check all that apply): ☐ Embroidery ☐ DTG ☐ Screen Print ☐ Heat Transfer ☐ Laser Engraving ☐ Patches

Total pieces received: _____ Verified by sales rep: _____ (initials)

Intake Inspection (sales rep completes at receiving)

Pre-existing condition notes (stains, holes, wear, manufacturing defects, etc. — if none, write “None observed”):

Photos taken of pre-existing condition? ☐ Yes (attach to ShopWorks ticket) ☐ No (none needed — items appear clean)

Customer Acknowledgment

I, the customer, acknowledge and agree to the following terms for the decoration of garments I am supplying to Northwest Custom Apparel. **Initial each item** to confirm understanding:

Initial	Term	Detail
_____ —	Liability cap	NWCA's maximum liability for any misprinted or damaged item is limited to the cost of the decoration service. NWCA will not replace, refund, or compensate the value of the garment itself.
_____ —	3% misprint allowance	For every 100 pieces, up to 3 may be misprinted or damaged in normal production. Credits apply only above this threshold.
_____ —	DTG-specific (if DTG selected)	Color accuracy cannot be guaranteed on customer-supplied DTG garments due to fabric chemistry. White ink on dark customer garments is not guaranteed. A paid sample print is recommended before full runs.
_____ —	Recourse window	I will inspect my order at pickup. Issues raised within 7 days of pickup are eligible for credit per the policy. After 7 days, claims are not eligible.
_____ —	Pre-existing condition	I have reviewed the pre-existing condition notes above and confirm they are accurate.
